**Cherry Scone Mix | Cherry Rhubarb Jam**

**1 cup butter | 1/2 cup milk | 1 egg**

---

Prepare Cherry Scone Mix as directed on bag. Divide dough in half; pat or roll each half into an 8" circle.

Spread 1/4 cup of jam on one round, leaving a 1" border. Brush border with egg wash (one egg plus 1 tbsp. milk). Place second round of dough on top of jam, gently sealing edges.

Crimp edges of dough with fork. Cut circle in half, then cut each half into 4 triangles. Place scones 2" apart on parchment-lined baking sheet. Lightly brush tops with egg wash.

Bake 18 mins. at 400° or until golden brown and toothpick comes out clean; cool on wire rack.
